

## **Annex A to Schedule 1 Journal Collection**

### **Backfile Collection:**

**Subject Backfiles:** Electronic access to the full text of articles from a selection of journal titles in a particular discipline and in specified backfile years, as identified above, for a one-time fee.

### **Archival Access Policy:**

The archival access policy, as described in the Prior Agreement, applies to Backfile Collections.

### **Interlibrary Loan Conditions**

This grant applies only to journals published by Elsevier Science. Other publishers may have different conditions or may not permit interlibrary loans. Licensor grants Subscriber the right to use articles from the additional Licensed Products as source material for interlibrary loans on an article-by-article basis and under the following conditions, subject to exceptions for any publications and material noted below:

- the request comes from an academic or other non-commercial, non-corporate research library located in the same country as Subscriber; and
- the requested article is delivered to the requesting library via mail or fax or via e-mail or through a safe document delivery system operated by the Subscriber; and
- Subscriber refrain from advertising its interlibrary loan capability with respect to the Subscribed Content, or from otherwise advertising or soliciting interlibrary loan requests.
